

California State University, San Bernardino Noyce Math and Science Scholars for the Inland Empire

Seminar 6(5) – February 1, 2012 Noyce Seminar Agenda

- 1) Welcome and Announcements
 - a) Annual Noyce Conference in Washington, DC: May 24-25, 2012
We can send two Scholars (one from each “phase”) and one Fellow.
If Scholars and/or Fellows wish to present either a poster or a breakout session, we may be able to send more – please contact Davida ASAP to let her know if you are interested.
- 2) Showcase your Work: Sara Harp
- 3) Common Core Standards for Mathematical Practice
 - a) See some Standards for Mathematical Practice in action through “Connecting Mathematical Ideas” video
 - b) Plan your own classroom implementation
- 4) Reflections
- 5) Dates for upcoming Seminars:
All are on Wednesdays, 3:30-5:30 pm at Martin Luther King Middle School

March 14, 2012
April 11, 2012
May 2, 2012
