

California State University, San Bernardino Noyce Math and Science Scholars for the Inland Empire

Seminar 2(5) – September 14, 2011 Noyce Seminar Agenda

- 1) Welcome and Announcements
 - a) Please be sure to fill out your evaluation before you leave.
 - b) Please email Sarah (swinter@csusb.edu) your class and observation schedules for the Fall 2011 quarter. **We will be doing walk-throughs this Friday (9/16). Let us know if you will be in the classroom on that day and (if you will be there) when the best time to stop by is.**
 - c) All second year scholars must sign up for one “Showcase your Work” this year. Please see the sign-up sheet for the list of available dates.
 - d) Noyce Lesson Study Conference (February 17-18, 2012) SEE BACK OF AGENDA FOR DETAILS

- 2) Showcase your Work- Allison

- 3) Common Core Standards

- 4) Evaluations

- 5) Dates for upcoming Seminars:
All are on Wednesdays, 3:30-5:30 pm at Martin Luther King Middle School

October 5, 2011	February 1, 2012
November 9, 2011	March 14, 2012
December 7, 2011	April 11, 2012
January 11, 2012	May 2, 2012

California State University, San Bernardino Noyce Math and Science Scholars for the Inland Empire

Save the Date: February 17-18, 2012

Lesson Study: Transforming Student Learning in Mathematics

This conference will include sessions to explore expert understandings of the design principles of lesson study, as well as practical sessions that will support experienced lesson study practitioners in learning to facilitate lesson study teams.

If we truly desire to improve our teaching, we must eventually turn our focus to student learning.
~ CSUSB Noyce Fellows

Lesson Study allows teachers to focus on student learning through collaborative planning, lesson delivery, observation and reflection.

When: Friday and Saturday, February 17-18, 2012

Where:

Friday:

Arroyo Valley High School
1881 W. Baseline
San Bernardino, CA 92411

Saturday:

California State University, San Bernardino
5500 University Parkway
San Bernardino, CA 92407

Provided for participants:

- Lodging (if needed)
- Meals (breakfast and lunch)
- Free registration and materials

Who Should Attend:

- Teachers
- District Administrators
- Site Administrators
- University Faculty

Goals of the Conference:

- Provide an introduction to lesson study for teachers without prior lesson study experience
- Create a shared understandings of the lesson study process that will be appropriate for American contexts and true to the spirit of lesson study
- Offer opportunities for experienced lesson study practitioners to build collective knowledge about lesson study facilitation
- Begin creating local lesson study networks and communities of practice
- Develop and share criteria for success and investigate effects of lesson study on teaching

**Please click on the link below to indicate your interest
in participating by October 20, 2011**
